

Registered Relief Kaiako

Relief Kaiako

Want flexibility to choose the days, times, and locations of your workdays? Are you keen to join a passionate team where your contributions are valued and critical to creating warm, welcoming places for our tamariki and their whanau? We are seeking qualified, registered relief kaiako to support our Kindergarten teaching teams.

We have 16 kindergartens across Hastings, Havelock North, and Central Hawkes Bay; with playgrounds full of trees, open grassy areas, and places to run, play, and explore. Our kindergartens provide a special place to belong, play, and learn together with the belief that each person is special. We encourage curiosity, creativity and links with our families and community. We aim to nurture the values of Whakamana, Whanaungatanga, Manaakitanga, Kaitiakitanga and Whakaako for our tamariki and their whānau.

Our diverse teaching teams are amazing to work with and we are seeking relief kaiako who are passionate and keen to add value and complement our teams.

You will be able to demonstrate the following:

- A commitment to honour the Treaty of Waitangi
- An ability to celebrate, share and involve families in the learning journey of our tamariki
- To bring the values of Whakamana, Whanaungatanga, Manaakitanga, Kaitiakitanga and Whakaako into your everyday teaching practice
- Great relationship and communication skills
- Energy, aroha, and flexibility

Additionally, you will be:

- Qualified, with a current practicing certificate
- Reliable and a team player

In return, you will be part of a supportive and progressive Association that recognizes the value of relief teaching.
