

# Early Intervention Teacher (EIT)

---

## Join Our Team at Heretaunga Kindergartens (HK)

Are you passionate about supporting diverse learners? Ready to make a real difference and positive impact in early childhood education? We're seeking a skilled Early Intervention Teacher (EIT) to join our collaborative, innovative team!

### About the Role:

As an EIT, you'll provide high-quality, equitable early intervention services for tamariki with additional learning needs. Your work will support transitions, strengthen inclusive practices, and build strong partnerships with whānau, kaiako, and the wider community.

### Key Responsibilities:

- Support transitions from kindergarten to school
- Provide learning support in line with Te Whāriki and HK policies
- Strengthen kaiako & ESW skills to support inclusive practices
- Attend IDP meetings and ensure whānau & kaiako voices are heard
- Develop, implement, and evaluate specialist intervention plans
- Contribute to innovative solutions for early intervention
- Collaborate and engage in professional learning
- Provide culturally responsive support, upholding Te Tiriti o Waitangi principles

### What We're Looking For:

- Bachelor of Teaching (Early Childhood)
- Post-graduate Diploma in Specialist Teaching: Early Intervention (or working towards)
- 3+ years of teaching experience
- Expertise in inclusive practices and tamaiti development
- Strong coaching and relationship-building skills
- Ongoing commitment to professional development

### Why us?

- Sick leave from commencement
- 6 weeks annual leave
- Free health insurance
- Continuous professional growth opportunities

Ready to make an impact? Apply now! For more details, contact Shellee Bickers at 027 500 1446 or [shellee.bickers@hfka.co.nz](mailto:shellee.bickers@hfka.co.nz). Applications close at 5pm, Sunday 9th March.
